## Ted Stevens Young Alaskan Artist Award

Since 1999, the Anchorage Festival of Music has held an annual competition to recognize a performing Alaskan music artist entering the professional field. To mark the 20th anniversary of the program and in recognition of the many connections to Senator Stevens, the award was renamed the **Ted Stevens Young Alaskan Artist Award** in July 2018.

The competition is open to any Alaskan, age 30 or under, who is currently pursuing or has achieved a bachelor's degree in music at an accredited institution. Winners are presented in a full-length solo recital and receive a cash award. Previous awardees continue to enjoy national and international careers as performers and music educators.

Applications for the 2024 Ted Stevens Young Alaskan Artist Award will be accepted starting in January.
